

Why You Can Trust Us

Unlike many competitors who make claims with little to no supporting information, ActivePure's efficacy has been proven across lab tests, peer-reviewed studies, and extensive field testing:

- ActivePure Medical Guardian is cleared by the FDA as a Class II Medical Device showing safety and efficacy
- Department of Energy study showing efficacy
- Peer-review study in the American Journal of Infection Control showing a 70% reduction in healthcare acquired infections and over 99% reduction in surface MRSA
- Peer-review study in the American Journal of Infection Control showing over 99% reductions in airborne RSV, the virus that causes COVID-19, and monkeypox
- 90-day mice safety peer-review publication in PLOS ONE, the widely accepted time frame for mice studies that correlates to human safety

¹For a full list of tested pathogens and more detail on our peer-reviewed studies, visit us at ActivePure.com/scientific-proof or scan the QR code.

Join the Air Scrubber Family

Air Scrubber by ActivePure's lineup is the obvious choice for anyone looking for products that offer the best benefits with the proof needed to trust those claims.

For more information on how ActivePure Technology compares to other common indoor air quality solutions, scan QR code for access to our simple comparison chart highlighting the key differences.

Creating Clean & Pure Air & Surfaces for You and Your Family

Air Scrubber

BY ACTIVEPURE®

Problems Your Family is Facing

Data shows that the primary concerns for American families regarding their living environments are:

- Asthma and allergies
- Mold
- Odors
- VOC off gases
- Whole home air purification
- Ultra clean environments
- Dust
- Pathogens
- Free from germs and chemicals

Best-in-Class Solution

It's likely that you identified with one or more of these concerns yourself. If you did, the Air Scrubber by ActivePure product line can help address those needs.

The key benefits provided by ActivePure are:

- Reduces PM 2.5
- Cleans air AND surfaces
- Can help limit mold and mildew growth and associated odors
- Reduces pollens and dust
- Reduces VOC gases
- Reduces smoke and odors
- Provides whole home air and surface purification
- Chemical-free cleaning
- Reduces bacteria, viruses, and fungi
- Enhances germ-free surfaces
- Can help extend the lifespan of your HVAC system by preventing buildup inside the system

components

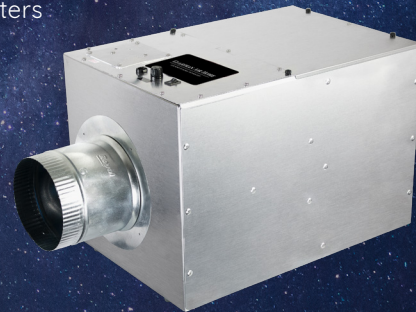

AIR SCRUBBER BY ACTIVEPURE

- Ideal for homes with a ducted HVAC system
- Runs automatically, only needs maintenance every 2 years, lifetime warranty if maintenance schedule is followed

GUARDIAN AIR HOME

- Ideal for those who desire an ultra ducted solution
- Runs 24/7 at 300 CFM with ActivePure, HEPA, and carbon filters

AIR SCRUBBER MINI

- Ideal for homes without ducted HVAC that use mini-split air conditioners/heaters
- Runs automatically, only needs maintenance once/year

LAUNDRY PRO 3.0

- Ideal for those looking to save money on laundry by eliminating the need for hot water and detergent, or those who suffer from sensitivities to detergents
- Extends the life of your clothes and linens by eliminating damage and color fading from hot water
